Claims 11-22 are allowed, as the prior art of record does not teach or suggest a system and method for decoupling coils in a medical imaging system, including a balun means preventing a current flow between the coils, in combination with the remaining limitations of the claims.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
